By Dan H On Jan 14, 2018 Last updated May 25, 2020 0 What is a family to you? A family can be described in many ways depending on the context. In economic definitions, a family is a social group that composes of a father, mother, and a child or children. Most cultures have extended families wherein the grandparents, aunts and uncles, even in-laws are included. Another definition by the dictionary is that a family is composed of two people who share the same goals and values, have long-term commitments, and live under one roof. Some people even consider their pets and friends as family. When a pet or friend has a special relationship with someone, he is often considered family. He is treated as part of the family and is given a special place in the home. To illustrate the diversity of views on the meaning of family, here are some famous quotes: You don't choose your family. They are God's gift to you, as you are to them. Desmond Tutu Peace is the beauty of life. It is the smile of a child, the love of a mother, the joy of a father, the togetherness of a family. It is an advancement of man, the victory of a just cause, the triumph of truth. Menachem Begin Family is not an important thing. Everything. Michael J. Fox The most important thing in the world is family and love. John Wooden Nothing is better than going home to family and eating good food and relaxing. Irina Shayk The bond that links your true family is not one of blood, but of respect and joy in each other's life. Richard Bach The family is one of nature's masterpieces. George Santayana I believe that the greatest gift you can give your family and the world is a healthy you. Joyce Meyer Happiness is having a large, loving, caring, close-knit family in another city. George Burns Neither man nor woman is perfect or complete without the other. Thus, no marriage or family, no ward or stake is likely to reach full potential up to husbands and wives, mothers and fathers, men and women work together in a purpose of purpose, respecting and relying on the forces of the other. Sheri L. DEW because there is no friend as a sister in calm or stormy time; To rejoice one on the boring way, to take one if you go abstrai, to lift one if one turns downwards, to strengthen while a one is. Christina Rossetti the family means that no one is left behind or forgotten. David Ogden Stiers my family is everything. I am what I am thanks to my mother, my father, my brother, my sister ... because they gave me everything. The education I have thanks to them. Ronaldinho Family is a unique gift that must be appreciated and cared for, even when they are driving you crazy. As long as they make you angry, they interrupt you, annoy you, cursed you, try to control you, these are the best people who know you the best and who love you. Jenna Morasca sometimes we hear a certain emptiness that nothing material or successful career can never satisfy. But when we become a mother or father, the first time we put our eyes on our baby it is the final satisfaction. A family can be your blood relative or someone who is extremely loyal to you. My best friend is like a family for me. Without family, the world will be empty. Literally and figuratively. A house is not a house if the family does not live in it. There is no more wonderful sound that pisses laughter during the family holidays. Marriage is the binding union that is essential to start a family. It does not matter what we do, our family always will be behind our shoulders to guide us or tell us what we are hurting. A family is your meaningless voice, simple when it is totally framed. When we have a family, we have everything. When our family is we are the richest people in the world. Family is where life begins to love. I don't understand why people turn around and moves away from their family to "start a new life". You're leaving your whole life behind when you do it. dan is an experienced internet marketing guru located in the Western Canada and a staff writer for the computer parent, he and his partner share two boys, 9 and 19 together with two (adorable) cats. credit: Mirrorpix/Getty images family: the only word of six letters in which they can coexist unconditional love, exasperation and flat feuds. Sometimes, the only thing we can collect is "it's complicated." but for all the arguments and doubts that sometimes we could deny that there is nothing like family, will always be the source of love once we never have to earn; the place where we run to ask for help and comfort; and the constant always stable in the inevitable tides of change. love for our families supports us and makes us move forward when we need it more and will celebrate all our victories. are, literally, everything - everything - and these family quotations express just this.
